

Welcome to the Carterville Volunteer Fire Department - Station 51

Welcome to Station 51! Station 51 is owned and operated by the Carterville Volunteer Fire Department, Inc. -- a Missouri Not-for-profit corporation.

We provide primary fire, rescue, and first response emergency medical services to the residents of the City of Carterville and rural residents living inside the Central Jasper County Fire Protection District. [Click here for an aerial photo.](#)

Station 51 is a 7700 square foot facility, built in 1999, and located at 102 East Main Street in Carterville, Missouri. The apparatus floor has 10 bays and houses 9 emergency vehicles: 4 Engines, 2 Tankers, 1 Brush Unit, 1 Rescue Unit, and 1 Service Truck.

Join Us!

Station 51 is actively recruiting new members right now. You can e-mail the fire chief ([chief at station51 dot org](mailto:chief@station51.org)) or [click here](#) to read the membership requirements and benefits. Then [click here](#) to go to our on-line membership application. If you live in or near our service area, please consider joining us!
